# WHO WE ARE

## OUR APPROACH

Grupo Zeit offers storage solutions designed to provide control, efficiency, and adaptability in modern logistics operations.

Our approach is focused on the safe handling of goods and the optimization of every stage within the warehouse.

**7 Years** of experience in logistics operations

## CONNECTING WAYS
# TO MOVE THE WORLD

### MISSION

To serve as the **trusted operational extension of mission-critical automotive** supply chains: we move, safeguard, and dispatch our clients' production with the same discipline demanded by the assembly line.

### VISION

To establish ourselves as the **benchmark automotive logistics provider in Mexico**, with end-to-end multimodal capabilities spanning from the Bajío region to **anywhere in the world**, and real-time visibility that turns every shipment into an informed decision.

### VALUES

- ✓ Quality
- ✓ Loyalty
- ✓ Empathy
- ✓ Punctuality
- ✓ Responsibility
- ✓ Passion
- ✓ Transparency

# STRATEGIC
## LOCATION
